

HORSE SHOW, SUNDAY, JUNE 19

Pertinent Paragraphs

Let's all support the Mission Rancho Horse Show by giving all the help we can to make it a success. Our schools need financial assistance. If the Horse Show was for the benefit of the Public Schools we would all attend.

St. John of the Cross parochial school is helping the financing by providing school rooms without public assistance. Let us also support their activities, as it helps the general financing.

We are still convinced that the Medical Association is, without wishing to do so, working for communism in their present campaign against Socialized Medicine. We are all against Socialized Medicine, but we do not call Health Insurance with a free choice of a doctor, socialized medicine.

The old aristocracy in any past civilization, was wiped out because they did not want any reforms. That was exactly the stand the communists wanted, them to take.

Freedom survived in one country only, the United States of America, because here the refugees from feudalism and communism gathered to form a new and free nation.

Our present Medical and Hospital services are superior to those in any other country. These other nations range all the way from dark black, pale pink, to blood red.

Those who deny a middle of the road policy, that is Democracy, seemed to have gained their point about a year ago. Since then we have seen many changes. Constructive middle of the road policies have gained all over the world. Why not discuss these and not the old extremes of "Dog eat Dog".

When referring to Lemon Grove's Shopping District we often say Shopping Center. Why? Is it because Mr. Adlfinger has made a good job of advertising his store?

FIRE HAZARDS

"Now is the time to prevent future fires" said Ted Haaf, President of the Chamber of Commerce today. He was referring to the program of burning dried grass and removal of debris as outlined by the Fire Prevention Committee last week. This program involves organization of neighborhoods and blocks by appointing a leader, designating a day for the burning of dried grass, and arranging for a fire rig to stand by.

J. B. Pearce, chairman of the committee, before leaving on his vacation on Monday of this week, stated that this is the last week that the fire rigs would be available. The Department of Forestry are compelled to move all of the equipment possible to the back country to protect the woodland areas. "Incidentally" said Mr. Pearce "this emphasizes the great need of a well organized Fire Department for Lemon Grove". His committee has held three meetings during the past few weeks for the purpose of working out a plan that will be acceptable and will not involve too great an expenditure. They invite suggestions from all of the citizens of the Grove. Address them to the Chamber of Commerce, Box 98, Lemon Grove.

The Lemon Grove Shopping district is based on available parking space. We have the parking space, and therefore the residents of the district are anxious to shop in Lemon Grove.

Not too many workers made themselves available during the last week end to help run a water line to the Community Center site. But Chris Ferguson was not all discouraged. He stated yesterday that this coming Saturday and Sunday was another week end and that he was sure that many civic minded citizens would be on hand to help.

"Lemon Grove is in need of a great many modern improvements" said Mr. Ferguson. "We have two projects under way at this time, namely, a fire department and the Community

Allen 'Rocky' Lane Here In Person Sunday

One of Hollywood's to-rank-ing film cowboy, Allan "Rocky" Lane, described by his home studios, Republic Pictures, as "America's fightin'est cowboy," has been booked for a personal appearance, along with his famous horse, Black Jack, at the 9th annual Mission Rancho Horse Show, set for Sunday, June 19, at Lemon Grove.

Lane, who has starred in scores of crowd-pleasing western films, and who originally portrayed the feature role in the "Red Ryder" series, will be presented at both the morning and afternoon shows of the Lemon Grove event, according (Continued on back page)

Filling a need for recrea-
tional diversion for the young
fry now out of school, John A.
van Gilse, Grove Theatre this
week announced that he will
again start regular Wednesday
afternoon matinees starting this
coming Wednesday.

According to van Gilse, only

a picture of adventure dealing

officer who joins the French
Foreign Legion to track down

Opens Insurance Office In Casteel Building, Lemon Grove

On Monday, June 13th, R.
Bruce Carmichael will formally
open an office in Lemon Grove,
at 7810 Broadway, which will
be strictly an Insurance Ser-
vice.

Mr. Carmichael has been in
the insurance business since
1936. In opening an office here
he feels that he can more
readily handle the insurance
problems of his everincreasing
clientele in this area. In open-
ing in Lemon Grove Mr. Car-
michael represents only old-
line stock fire and casualty
companies which along with
the Life Insurance company he
represents have total assets in
excess of \$2,000,000,000.00.
The youngest fire company he
represents is 96 years old; the
oldest 150 years. The Hart-
ford Accident & Indemnity
Company through which he
writes his casualty is one of
the largest multiple-line casu-
lty companies in the United
States, and it is so well rep-
resented throughout the country
that it is particularly adaptable
for the traveller who wishes to
avoid any delay in securing an
adjustment in the event of an
accident.

Mr. Carmichael wants to
clarify one thing, and that is,
in sharing an office with Mr.
George W. Casteel, Mr. Car-
michael's business will be
absolutely restricted to insur-
ance.

When asked what various
types insurance he handles, he
countered by remarking: "We
write all forms of insurance
except Bail Bonds."

"LAST ROUND-UP" AUTRY'S NEW FILM, TOP-NOTCH THRILLER

If you're looking for top-
notch entertainment that packs
a real punch, start humming
"I'm Heading for the Last
Round-Up" and head straight
for the Grove Theatre, Friday
and Saturday, June 17 and 18,
where Gene Autry and his
famous horse, Champion, are
starred in Columbia's "The Last
Round-Up."

The picture, which was
filmed by Gene's own produc-
tion company, is jammed
through with blazing action,
sparkling music, hilarious slap-
stick and tender, heart-warm-
ing drama. Everything about
it is magnificently done on a
lavish scale, making the film
one of the most thoroughly en-
joyable super-Westerns of the
year.

The screenplay, which was
prepared by Jack Townley and
Earle Snell, is a thrilling story
of today, bristling with all the
smoke and fury of yesterday's
West! Essentially, the plot is
concerned with a land problem
where neighboring ranchers and
Indians are being forced off
their property to make room
for a new aqueduct.

Gene, who portrays a ranch-
er, proves of invaluable assist-
ance to the town authorities

and arranges a deal whereby
everything is settled satisfac-
torily. However, a disgruntled
land manipulator goads the
Indians into a senseless attack
upon the ranchers.

Reverting to type, the red-
skins don their forefathers'
warpaint and gallop into battle.
Of course, Gene subdues the
uprising and straightens mat-
ters out in the end, but before
he does, the screen resounds to
the fury of violent gunfights,

thundering stampedes and a never was better, the east also
ferocious fist fight that tops includes Jean Heather, Ralph
anything ever seen on celluloid. Morgan, Carol Thurston, Mark
In addition to Autry, who Daniels and the Texas Ranger.

Bus Reservations For Graduation Exercises

A new reservation system for bus services to Grossmont graduation exercises is to be tried this year. Bus tickets marked with a definite starting time will be available to Grossmont seniors for their relatives and friends who wish transportation to Mt. Helix for graduation exercises, June 17, Friday.

Those tickets at 10c. per trip will be sold to seniors on June 15 at graduation rehearsal. Each ticket will be marked with a definite starting time and the holder of it is entitled to a trip from Grossmont grounds to the theater on the bus leaving at that time only.

The shuttle buses will not operate after the senior class has left Grossmont for the theater. At the close of the exercises, the school buses carrying senior class members will

leave immediately. The shuttle service on the down trip will operate until all people who wish to use it are down. Tickets are not required for the return trip.

People driving private cars will be under supervision of California Highway patrol which will be in charge of parking from Puerto Drive to the top of Mt. Helix. No parking is allowed from the theatre down to the over-pass intersection.

"We are hoping by establishing this reservation system to get all those who wish to attend the ceremony there before things begin and so avoid confusion during the exercises," says Harold C. Hughes, Grossmont's Assistant Superintendent, who is in charge of transportation.

LINDA GOES WAY OF ALL PARENTS

Despite Linda Darnell's insistence that she would not become a typically doting parent, her co-stars in "Unfaithfully Yours"—Rex Harrison, Rudy Vallee and Barga Lawrence—were quick to detect a break in her pose if nonchalance.

It was during the filming of the Twentieth Century-Fox picture, which opens Sunday and Monday, June 19, 20, at the Grove Theatre, that the five-week-old infant Linda and her husband Peverell Marley had chosen for adoption was flown in from an out-of-state home. Prior to its arrival, the brunette star who had visited the baby as often as possible reported to her co-workers on the "Unfaithfully Yours" set that Lola, the infant, was "cute, but not pretty."

But only three days after Linda and Pev had the infant to themselves in their own home, Linda's tune was already changing. "Lola's getting prettier every day," she enthusiastically confided. "In fact, she's so adorable-looking and has so much personality, I'm sorry I can't say I'm her real mother, so I could flatter myself by saying she looks like me!"

Featured player Lionel Stander, who is the father of four daughters, just grinned.

to general chairman Father Patrick Rielly.

With the singing of the noted cowboy, the Mission Rancho is expected to attract a record throng of visitors. Entries are already reaching show headquarters and equestrian enthusiasts from throughout southern California will be competing for nearly \$2000. in cash awards, while the annual children's events, set during the morning program, will attract some of the southland's foremost juvenile riders.

A huge public pit barbecue will be held between the morning and afternoon shows, while throughout the day scores of entertainment features will be presented.

Sponsored by the Church of St. John of the Cross, in Lemon Grove, all proceeds from the Mission Rancho will go towards development of the Church's parochial school's recreational facilities. For reservations call H6-9359.

SCHOOL NEWS

Over 200 members of the Lemon Grove School Citizenship Club were recently entertained as the guests of Mr. J. A. van Gilse, owner of the Lemon Grove Theatre. This is an annual award in recognition of outstanding work in citizenship at the school. The Citizenship Club is greatly indebted to Mr. van Gilse for his fine cooperation.

On Friday, June 10, the 8th grade graduating class journeyed by school bus to La Jolla Shores for their annual Beach Day outing. Approximately 120 students enjoyed the wonderful day at the ocean. They carried lunches with them, and soft drinks were available at a nearby store. A life guard was present during the entire morning and afternoon. Sponsors were Mr. Davis, Mr. Butler, Mrs. Whalen, Mrs. Darroch, Mr.

and Mrs. Solleder, Mrs. Dorman, Mrs. Hyam, Mr. and Mrs. Brown, Mrs. Quist and Mrs. Herrera. A very tired but happy group returned to Lemon Grove at 3:00.

The 8th grade has been busily practicing this week for their graduation Thursday evening. Each afternoon the entire class of 117 graduates marched to the Recreation Hall of the Congregational Church on Main Street, where they rehearse for the big day. Mr. Butler, Mrs. Whalen, Mrs. Darroch, and Mr. Solleder were in charge of the activities. The band, under the direction of Mr. Cheatham, has also been participating in the daily rehearsals. Tickets for the graduation are limited, due to the limited seating facilities of the hall, and each graduate will be given two tickets for parents or friends.

At a special assembly pro-

gram on Wednesday, the Junior High students who have excelled in athletics during the school year were awarded with special letters and plaques. Adolph Robles, of Mrs. Darroch's room, is high man with 436 points and was given a

printed plaque as a special award. Other leaders in the 7th and 8th grades are Manuel Lara, was leads in the 7th grade with 389 points, and James Dorman, Cedric Jordan, Bill Rhoades, Dale Brannon and Robert Lebb.
